

BUILDING LEADERS BRIEF INDUSTRY 2022

19TH MAY, 2022

PROGRAM ORDER

Thursday 19 May, 2022

Uncle Allen Madden – Aboriginal Land Council Representative and Elder

8:50 - Welcome to Country

Scott Munter – BPIC Chair

9:00 - Chairperson's Opening Address

Bronwyn Weir – Director of Weir Legal and Consulting

9:05 - Building Confidence Report Implementation Update

Bronwyn is the co-author of the Building Confidence Report and reflects her reputation as a legal advisor on building regulations for more than 20 years. Bronwyn has been advising the NSW and WA governments on their implementation of the Building Confidence Report and she is also part of the Expert Advisory Group appointed to advise the ABCB on its work to develop a national framework for the implementation of the report.

Timothy Hibbert - Principal Economist, Building and Construction at BIS Oxford Economics

9:35 – Building Industry Economic Outlook

Timothy is a Principal Economist in the Building and Construction forecasting unit of BIS Oxford Economics. Working over the full building spectrum, he oversees building forecast subscriptions including: Australia Building Forecast Service, Building Work Done and Regional Building. Timothy is also actively engaged in consultancy work across demand modelling, market sizing, benchmarking and policy analysis.

Jorge Chapa - Head of Market Transformation at Green Building Council of Australia

10:05 – Responsible Products Framework

Jorge ensures that GBCA strategic priorities, partnerships, and product and services, including Green Star, accelerate the transformation of Australia's built environment – delivering more livable, resilient, and sustainable places for everyone. He has an architecture degree from the University of Monterrey in Mexico and a Masters in Design Science from the University of Sydney. He also worked as an ESD consultant and product assessor with EcoSpecifier, and was an architect with the Buchan Group.

Henrietta Tan - Engagement Manager - Standards Australia

10:35 - **Gold Sponsor Presentation – Standards Australia**

Patrick Coughlan – CEO - CreditorWatch

10: 41 – **Silver Sponsor Presentation - CreditorWatch**

10:47 - MORNING REFRESHMENTS AND NETWORKING BREAK

Patrick Coughlan - CEO of CreditorWatch

11:17 - Emerging Economic Threats in Construction

In 2010, Patrick became one of the three founding employees of CreditorWatch and helped to shape the innovative product we see today. Throughout the years, Patrick's industry knowledge has become second to none. His leadership qualities have enabled him to play a key part in developing CreditorWatch's values and team-spirited culture, as well as drive the company to considerable growth. He also sits on the Business Advisory Panel of ASIC.

Laszlo Peter - Head of Blockchain Services, Asia Pacific at KPMG Australia

11:47 - NSW Government: Building Assurance Solution Tool

Laszlo leads KPMG's blockchain services practice for Asia Pacific. His mandate is to work with clients across the public and private sector, co-develop and deploy distributed ledger solutions in Australia and internationally. He has more than 20 years' experience working with large financial services organizations, startups and consultancies, bringing knowledge and insights from local and international banks, broker/dealer organisations and fintech startups.

Damien Crough - Founding Director & Executive Chairman of PrefabAUS

12:17 - Prefab Innovation Hub

In 2007 Damien began working with renowned Australian architect Nonda Katsalidis and Hickory Group to develop and bring to market the prefabricated Unitised Building™ system. In 2014 Damien established Advanced Offsite Group, a specialist consultancy which enables clients to improve and enter new markets with existing offsite technologies. Damien also works with clients that are new to the Offsite industry to identify opportunities for the use of the Offsite supply chain and effectively incorporate these elements into the design, procurement and project execution phases of construction projects.

Bonnie Ryan - Director - Freight, Logistics & Industrial Sectors

10:47 – Silver Sponsor Presentation – [GS1 Australia](#)

Diane Hobday – Sector Manager – Materials, Assets and Products

10:53 – Silver Sponsor Presentation - [NATA](#)

13:00 NETWORKING LUNCH AND REFRESHMENTS

Dyan Johnson - Manager of Policy and Economics at Master Builders Queensland

13:45 – National Building Product Assurance Framework

An urban planner and policy manager, Dyan joined Master Builders back in 2013. She drives Master Builders' policy and advocacy agenda, with the challenge of building confidence and building quality central to the agenda. She works on building regulation reform both in Queensland and nationally, serving as a member of the Australian Building Codes BCR Implementation Team formed to implement the recommendations of the Shergold Weir Building Confidence Report. Her role within the Team was to lead the production of the National Building Product Assurance Framework and Design Acceptance Model Guidance.

James McGregor - CEO of The Blue Tribe Company

14:15 - Renovate or Rebuild Season 1 - Outcomes

James works with innovators, change makers, and leaders to develop scalable solutions to some of our most challenging environmental and social problems. For the past 15 years he has been leading numerous innovation programs including projects in biofuels, world record breaking solar thermal technologies, smart grid technology, intelligent agent based modelling technologies, low emissions power generation, and innovations in sustainable built environments.
